

Public Safety Needs & Debt Service

Fund Description

The Public Safety Needs and Debt Service Fund was established as a special revenue fund with the purpose of tracking expenditures for public safety needs. The source of funding for the Public Safety Needs and Debt Service Fund is Safety Sales Tax revenue, a half-cent sales tax resulting from the enactment of Proposition 172 in 1994. Debt service for the Fire and Lifeguard Facilities Fund will be paid first from this fund and the remainder is distributed equally between the Police and Fire-Rescue Departments.
